Dear Jerry,

I know this is a busy
time for you when you are
recovering from your operation.

But if your schedule permits
Pat & I would be highly
honored if Betty & you
could join us for the
dedication of our library
July 19. George will be
there as will Ron & Nancy.
It would be great to have
three Republican Presidents
at an event in the most
Republican County in California.

I hope all goes well
with your recovery & that
you will soon be
making waves again on the
Golf Course -
Pat joins me in sending
our warm regards - Sincerely,
Dick
